Point form is fine but please be thorough. Use the back of as needed.

List several of the important job characteristics Ex. shift work, work occurs out of doors, solitary, travel is necessary, hazardous	(2 marks)
What is the <i>annual</i> salary/wage? (Cdn figures)	(2 marks) If hourly: pay/hour X 2080 Example: \$22.50 X 2080 = \$46 800 If salary, post here. First class firefighter = \$104,983.92
Describe typical basic requirements for this career including education. Identify several places where this training is available. E.g. There are only 4 veterinary colleges in Canada–UVic, UPEI, U of Guelph, USask	(2 mark)
My Reasons Justify your choice of career. Make clear connections between specific aspects of the career and your interests, natural abilities and potentially developed skills. Use the career test results and your own assumptions to make those connections. Your mark is based solely on how completely you <u>connect</u> the two. E.g. you're detail oriented which fits with the job of a forensic accountant. Use the back of this document if needed	(10 marks) <p style="text-align: center;">This is the <i>most</i> important section. 3 connections are a good <i>start</i></p>
