

Make the Pitch Assignment

15 marks

You are an agent for the author of your selected novel. Your goal is to persuade one of the big movie studios (Universal, Disney, etc.) to option the novel and make it into a movie. Your pitch requires two parts.

1. A one or two paragraph summary of the story, told in an appealing, movie trailer fashion. Compose your summary to be compelling, not just informational. Provide the important details but in a manner that shows you're excited about the story. Hint: it helps if you use the main character's name more than once to personalize it.
2. Take the main characters from the list and suggest an actor/actress you feel is the best fit for the role. With their name, provide a clear 1-2 sentence justification for each actor's selection. Why is this particular actor a solid match for the character? This second section can be written as a list.

Requirements:

- The book must be in the log by Monday Apr 8.
- Your selection must be from books #9, mid-January on our timetable, or later
- The book cannot already have been made into a movie, TV or streaming program
- Typed (preferred) or handwritten, double spaced, error free, name at the top

A class period will be provided to help prepare the draft copy. Due date will be announced in class.
